Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Tuesday 23 Feb 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Largely dry but breezy this evening with some rain overnight.

This Evening and Tonight:
Remaining dry through the evening, but rain is likely to move into northern and western areas overnight. It will stay breezy throughout but feeling mild. Minimum temperature 10 deg C (50 deg F).

Wednesday:
A largely cloudy day with outbreaks of rain in the north and west. Rain will progress further east later in the day. Staying mild with winds easing. Maximum temperature 15 deg C (59 deg F).

Outlook for Thursday to Saturday:
Sunny spells with some isolated showers on Thursday, and lighter winds. Dry and bright on Friday and Saturday. Mild overall but increasingly colder nights with frost and fog patches likely.
